PROGRAM LICENSE AGREEMENT & DISCLAIMER

IMPORTANT NOTICE: The software you are about to install or previously have installed from Ensoft Incorporated (“ENSOFT”) is licensed only on the condition that you agree to the terms and conditions set forth below. Please read the terms of this License Agreement & Disclaimer (“LICENSE”) carefully.

If you agree to be bound by the terms of this LICENSE, please check mark the box labeled “YES – I Accept the terms of this License Agreement!” during software installation so it can be installed on your computer.

If you do not agree to the terms of this LICENSE, please check mark the box labeled “NO – I DO NOT Accept the terms of this License Agreement!” which will terminate the software installation.

If the software is already installed and licensed, you have already agreed to the terms and conditions of this license, or someone has done so on your behalf.

This LICENSE is a legal agreement between you (“USER”) – either an individual or a single entity– and ENSOFT for the ENSOFT software product that you are about to install or previously have installed (“PRODUCT”). The PRODUCT collectively includes computer software and associated media, printed materials, hardware key (dongle), and electronic documentation. The PRODUCT also includes any updates and supplements to the original PRODUCT that may have been produced by ENSOFT. By installing, copying, downloading, accessing or otherwise using the PRODUCT, the USER agrees to be bound by the terms of this LICENSE. If you (the USER) do not agree to the terms of this LICENSE, do not install or use the PRODUCT.

SOFTWARE LICENSE & DISCLAIMER

The PRODUCT is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The PRODUCT is licensed, not sold.

1. GRANT OF LICENSE

This LICENSE grants you the following rights:

1.1 INSTALLATION AND USE

1.1.1 Single-User Licenses

This software is licensed to the USER (company or individual) whose name is registered with ENSOFT and can only be installed in individual computers of employees of one specific physical site (“SITE”) registered with ENSOFT. You may install and use the PRODUCT on any number of computers for employees of the licensed SITE but installations cannot be made for shared access of the PRODUCT over a network. The PRODUCT is fully operational only in the SITE computer that carries the appropriate PRODUCT’s hardware security key (“KEY”) that is used as software protection device.

1.1.2 Network Licenses

This software is licensed to the USER (company or individual) whose name is registered with ENSOFT and can only be accessed by the employees from the specific physical SITE and white-listed IP ranges registered with ENSOFT.

The most basic local network license for a SITE allows the USER to white list up to four /24 (unique third octets) IPv4 ranges for the employees of the licensed SITE. Broader access can be purchased if a network configuration requires the white listing of additional subnets/ranges for the employees of the licensed SITE.

The USER may install and use the PRODUCT on any computer in the licensed SITE that is within the white-listed IPv4 ranges registered with ENSOFT. Access to the PRODUCT from VPN Routers or Remote Desktop or similar may be implemented but must limit access to employees from the licensed SITE.

Employees from office locations other than the registered SITE at ENSOFT are required to purchase additional licenses of the PRODUCT, even if the USER (company) name is the same and/or if the additional offices are located in the same city.

With respect to technical information you provide to ENSOFT as part of the SUPPORT, ENSOFT may use such information for its business purposes, including for product support, development or advertisements. However, ENSOFT will not utilize such technical information in a form that personally identifies the USER.

This transfer must include all of the PRODUCT (including all component parts, the media and printed materials, any upgrades, this LICENSE, and the PRODUCT’s appropriate hardware KEY). Such transfer may not be by way of consignment or any other indirect transfer. The transferee of such one-time transfer must agree to comply with the terms of this LICENSE, including the obligation not to further transfer this LICENSE and PRODUCT.

4. SOFTWARE DISCLAIMER

Although the PRODUCT has been used with apparent success in many analyses, new information is developed continuously and new or updated PRODUCT releases may be written from time to time. All users are requested to inform ENSOFT immediately if any errors are found in the PRODUCT.
